9 am – 3 pm

Rathrevor Beach Prov. Park Nature House

Ages 6 – 12 (Rain or Shine)

Bring a lunch. Some snacks provided

\$35 per day/\$150 full week

Children get to know about their wild neighbours in the great outdoors with RLC natural history interpreters. Students will explore and discover nature's treasures and then express their understanding of what they have learned through games, arts and a process of collaborative creative thinking.

5 Day Program: Mornings are spent exploring and learning, while afternoons include games and activities to help us remember and communicate what we see on our adventures. We will learn about:

- Brant & Other Marine Animals
- Layers of Life in the Inter-tidal Zone
- Adaptation & Biodiversity
- How People Are Part of Nature
- Wildlife & Wild places in our history

Each day includes time outdoors, so wet weather clothing and a change of clothes is a must. Children should wear comfortable shoes/boots and be prepared for some wet and muddy conditions. Dress warm in layers to be ready for rapidly changing weather conditions. It can be very cold and windy in spring. Binoculars, cameras and questions are welcome.

Space is limited (20)
