

# BRANT WILDLIFE FESTIVAL

## A SPRING CELEBRATION OF NATURE

### THANK YOU TO OUR 2019 SPONSORS, DONORS & VOLUNTEERS

The Nature Trust of British Columbia is proud to coordinate the Brant Wildlife Festival along with many community groups and volunteers. As a non-profit land conservation organization with several properties in the Parksville-Qualicum Beach Wildlife Management Area, The Nature Trust welcomes the opportunity to encourage people to get outdoors and discover local wildlife, particularly the amazing Brant goose.

Special thanks to the Arrowsmith Naturalists for monitoring Brant in all kinds of weather, Ceri Peacey as the Community Facilitator and Lynne Brookes for her enthusiasm and dedication to inspiring community support.

And a BIG THANK YOU to all the volunteers who made the festival possible, including tour leaders, naturalists, and many others.
