

# The 2023 Brant Wildlife Festival

PRESENTED BY THE NATURE TRUST OF BC

Join us for this Spring Celebration of Nature as we welcome the arrival of thousands of migrating birds to the shores of the Parksville and Qualicum Beach area. The Brant come to rest and feed before continuing their arduous journey to their northern breeding grounds. The festival encourages people of all ages to get outside and learn about local wildlife and plants, and to be inspired to care about nature.

**DATES: March 31st to April 9th, 2023**

There will be activities for all ages including wildlife viewing, guided tours, presentations and lots more fun.

The Nature Trust of BC, a non profit land trust with conservation properties on mid-Vancouver Island, is proud to coordinate the Brant Wildlife Festival.
