

Brant Wildlife Festival Sponsorship

April 5-8, 2024

Join us for this Spring Celebration of Nature as we welcome the arrival of thousands of migrating birds to the shores of the Parksville and Qualicum Beach area. Brant geese (*Branta bernicla*) come to rest and feed before continuing their arduous journey to their northern breeding grounds. The Brant Wildlife Festival encourages people of all ages to get outside and learn about local flora and fauna, and to be inspired to care about nature. There will be activities for all ages including wildlife viewing, guided tours, presentations, and lots more!

The Mount Arrowsmith Biosphere Region inspires a positive future for all living species by facilitating collaboration, coordinating participatory research, and supporting environmental, social, cultural, and economic sustainability. We are delighted to be facilitating the long-standing Brant Wildlife Festival, and are excited to watch it grow and flourish with help from organizations and businesses such as yours.

We welcome sponsorships, donations, and prizes of all sizes to support the festival, including those which may not fit within the tiers listed on the next page.

Interested in becoming a 2024 Brant Wildlife Festival sponsor or donor?
